

1000w Portable Car Power Inverter

As a professional high quality 1000w Portable Car Power Inverter manufacture, you can rest assured to buy 1000w Portable Car Power Inverter from our factory and we will offer you the best after-sale service and timely delivery.

High quality 1000w Portable Car Power Inverter is offered by China manufacturer Ningbo Taurus Industry Co., Ltd.. Buy 1000w Portable Car Power Inverter which is of high quality directly with low price.

High Quality 1000W Portable Car DC To AC Power Inverter with Multiple Protection, Durable Metal Housing To Prevent Drops And Collisions, Fast Heat Dissipation. Latest Safety Charging Technology.

Product Parameter (Specification)

Model	M1000	
Rated Power	1000W	
Peak Power	2000W	
DC Input Voltage	12V/24V/48V	
Output	AC Voltage	110V-220V
	Frequency	50Hz±0.5Hz or 60Hz±0.5Hz
	Waveform	Modified Sine Wave

Dimension L*W*H(mm)	210*140*70
USB Port	
Protection	High and Low Temperature, Short circuit, Over current, Over voltage, Reverse connect, Overload, Low voltage, Battery PTC
Socket	US, JP, EU, Universal socket
Color	Red, Black, Customize
Customized	Support

Product Feature And Application

You can rest assured to buy 1000w Portable Car Power Inverter from our factory and we will offer you the best after-sale service and timely delivery.

1000W Modified Sine wave Inverter 12V To 220V Car Inverter & Converters High Performance Design 1000W Power Inverter Sofer for Outdoor Car RV Home Sale

【1000 Watt Inverter】 Provides 1000 watts of continuous DC to action power and 2000 watts of peak power, converting 12V DC battery power to standard 110V/220V AC power. Please check the power of your device before purchasing

【WIDE USE】 110V/220V AC outlet is perfect for charging laptops, fans, refrigerators, game consoles, Kindles, TVS, Christmas lights, and breast pumps. Ideal for vacation travel, home or outdoor emergencies, remote work locations, or anywhere AC power is needed.

【Multiple protections】 Overload/short circuit/overheat/reverse polarity/under voltage or overvoltage protection. Keeps your batteries and appliances safer without the hassle of changing fuses.

Product parameters

Input 12VDC/24VDC

Output AC110V ± 10%

Rated power 1000W

Peak power 2000W

Waveform correction sine wave

Product net weight 1.76KG

Product size 210 * 140 * 70mm
