

Small Power Inverter 300W

These are related to the Small Power Inverter 300W news, in which you can learn about the updated information in Small Power Inverter 300W, to help you better understand and expand Small Power Inverter 300W market. Because the market for Small Power Inverter 300W is evolving and changing, so we recommend that you collect our website, and we will show you the latest news on a regular basis. Small Power Inverter 300W (Peak 600W) DC 12V To AC 110V/220V Converter with USB*2 And AC*2 Socket. Wide Range of Applications: Road Trip, Outdoor Office And Camping, Etc.

Ningbo Taurus Industry Co., Ltd. is a professional China Small Power Inverter 300W manufacturer and supplier, if you are looking for the best Small Power Inverter 300W with low price, consult us now!

Product Feature And Application

As the professional manufacture, we would like to provide you Small Power Inverter 300W . 【Main Function】 300 Watt car power inverter convert dc 12V to ac 110V, with 2 USB ports and 2 ac socket, can apply to car refrigerator, lamp, car vacuum cleaner, breast pump, CPAP, etc. Suitable for road trips, outdoor office and camping, etc

【Double Protection Design】 Built-in smart chip and fuse. When the fault is detected by the product itself, it will automatically shut down the current output and turn on the red light , alert the user and avoid fuse blowing

【Multi-protection】 The durable metal housing can provide advanced protection from drops and collisions. The safe charging technology can prevent the machine from overheating, reverse connection, under voltage, over voltage, overload and short circuit.
